> Attention is called to the \$19,000 expense. dicitis - Edward Ellenwood of Pitts of conducting the office of secretary of claring war upon the people of Ma field has moved into Pigeon hollow State, but attention is not called to the the admission of oreign-bullt ship with his family and will cook in camp further fact that \$10.000 of the amount represents the sum the Legislature has emergency currency act anticipating ordered the secretary to spend for pro- activities of the moting State development. If this is not not yet in operation, and the wanted don't blame Mr Stalley but let the ment of a bureau of maritime las Mr. Searles of St. Legislature discontinue the work.

> It may be of interest to know that from In proof of the rectifude of purps Montpeller were the speakers -The first July 1, 1960 to October 8, 1968 the total fees played in this remarkable record ; series of the lecture course was paid to the State through that office the fact that both parties have long given Monday evening in Holden half by amounted to \$49,429.78 while in the six years since that time during which Mr. out of our laws, reference may Balley has held office such amount has to the attitude of the minority been \$585,427.76, as follows: automobile 11- of the attitude of the cense fees \$472,286.21, liquor license fees ship, of course, was antagonistic

In the last fiscal year there was dis-bursed by the State for education and trust bill, seven republicans voted In the last fiscal year there was dishighways a sum larger than all the gene the democrats; in the House, 56 rep eral State expenses amounted to if years cans. In the House, no republican pense and the educational commussion is Senste, 12 republicans favored it. In recommending still further appropriations Senate, in republicant and currency in for education. If we are spending too much for these purposes curtailment of the House, is republicans. Practical expense should be made. But I do not of the important measure a remember that Mr. Howe in the Legisla- to had republican support in ture of 1905 tried very hard to change the mittee on education so that the town of that of the tariff not, and even mittee on education as that the town of Six republicans in the House and tw St. Johnshury would not receive from the Senate allened themselves with \$12,000 to \$15,000 per year from the State the Senate aligned themsel for not maintaining a high school. Such detection as its perfect genored. sum was then being paid as a rebate to this way, it is clear that honor and pr sum was then being paid by the town this way, it is clear that noner and the town for tuitions paid by the town tiple and reason ablds on both rides to St. Johnsbury academy, when Burling- time was rine, indeed, for these m Barre, Montpeller, St. other large and small places in the State highly were maintaing high schools and receiv- temper of the people was known. In daughter visited in town over Sunday .- Ing no aid of any kind from the State for

thoroughly remodeling their works. The Rutland. The Rt. Rev. Selden M. Gris. and Cabot, in the morning the Cabot not be ordained until next year, but will and Mrs. Addie Sawyer were in Mont- year in running the insurance department. It is upon the same principle that the salary and expenses of the bank commissionand trust companies so that the latter pay for their own supervision, and in addition ance companies in the same year paid \$156,048.66 in taxes in addition to the sum above mentioned as the expense of their own supervision. More than \$5,000 of the yearly cost of the insurance department was spent in the examination and computation of the reserves of the National Life Insurance company so that the people of this State might know that company was in a situation to fulfit its obligations to future widows and orphans

The foregoing covers some of the crit telsms of Mr. Howe touching three im portant administrative offices. In closing I might add that if Mr. Howe cares t investigate salaries of State officials in alone of the State treasurer of severe States exceeds the total expense of me

Very truly your (Signed) EDWARD H. DEAVITT,

#### THE WORK OF CONGRESS. (From the New York World, Dom.)

gress during its life is that it has run true to its trust. Time alone will determ no the wisdom of its deeds. The Sixty-third Congress, in session longer than and other in our history, is noteworthy for its is now faced by the more serious It should always be even more memorable for its faithfulness to the latter of whom resigned the co pledges upon which it was chosen. For mand of the union forces when Premi

Congress must bear the responsibility. When this Congress began its labors.
